

# MillCraft custom closets

"Manufacturing with Precision"

## Why MillCraft Custom Closets?

We specialize in the manufacture, supply, and installation of closets and storage systems. We work closely with you to ensure that you and your customer are completely satisfied with the final design.

We use only the best materials to fabricate our closets and storage systems. Our materials are made up of 3/4" furniture-grade TFL (thermally fused laminates) and 1mm edge banding for a high-quality finished result.

MillCraft custom closets offers more than 60 different colors for you to choose from.

Our design team collaborated to offer you the finest colors that will personalize your storage space. Check out our full color chart available across different models of doors.

## Custom Closet

Your closet should be a place of peace, organization, and style. You shouldn't get a headache every time you try to find a pair of shoes or your favorite sweater. We use the best, most durable products to create a custom closet design that gives you a place for everything so you can put everything in its place. Because we offer full-service custom storage solutions, we're knowledgeable and experienced enough to tackle your biggest storage issues. Let us give your closets a makeover that will change your life.

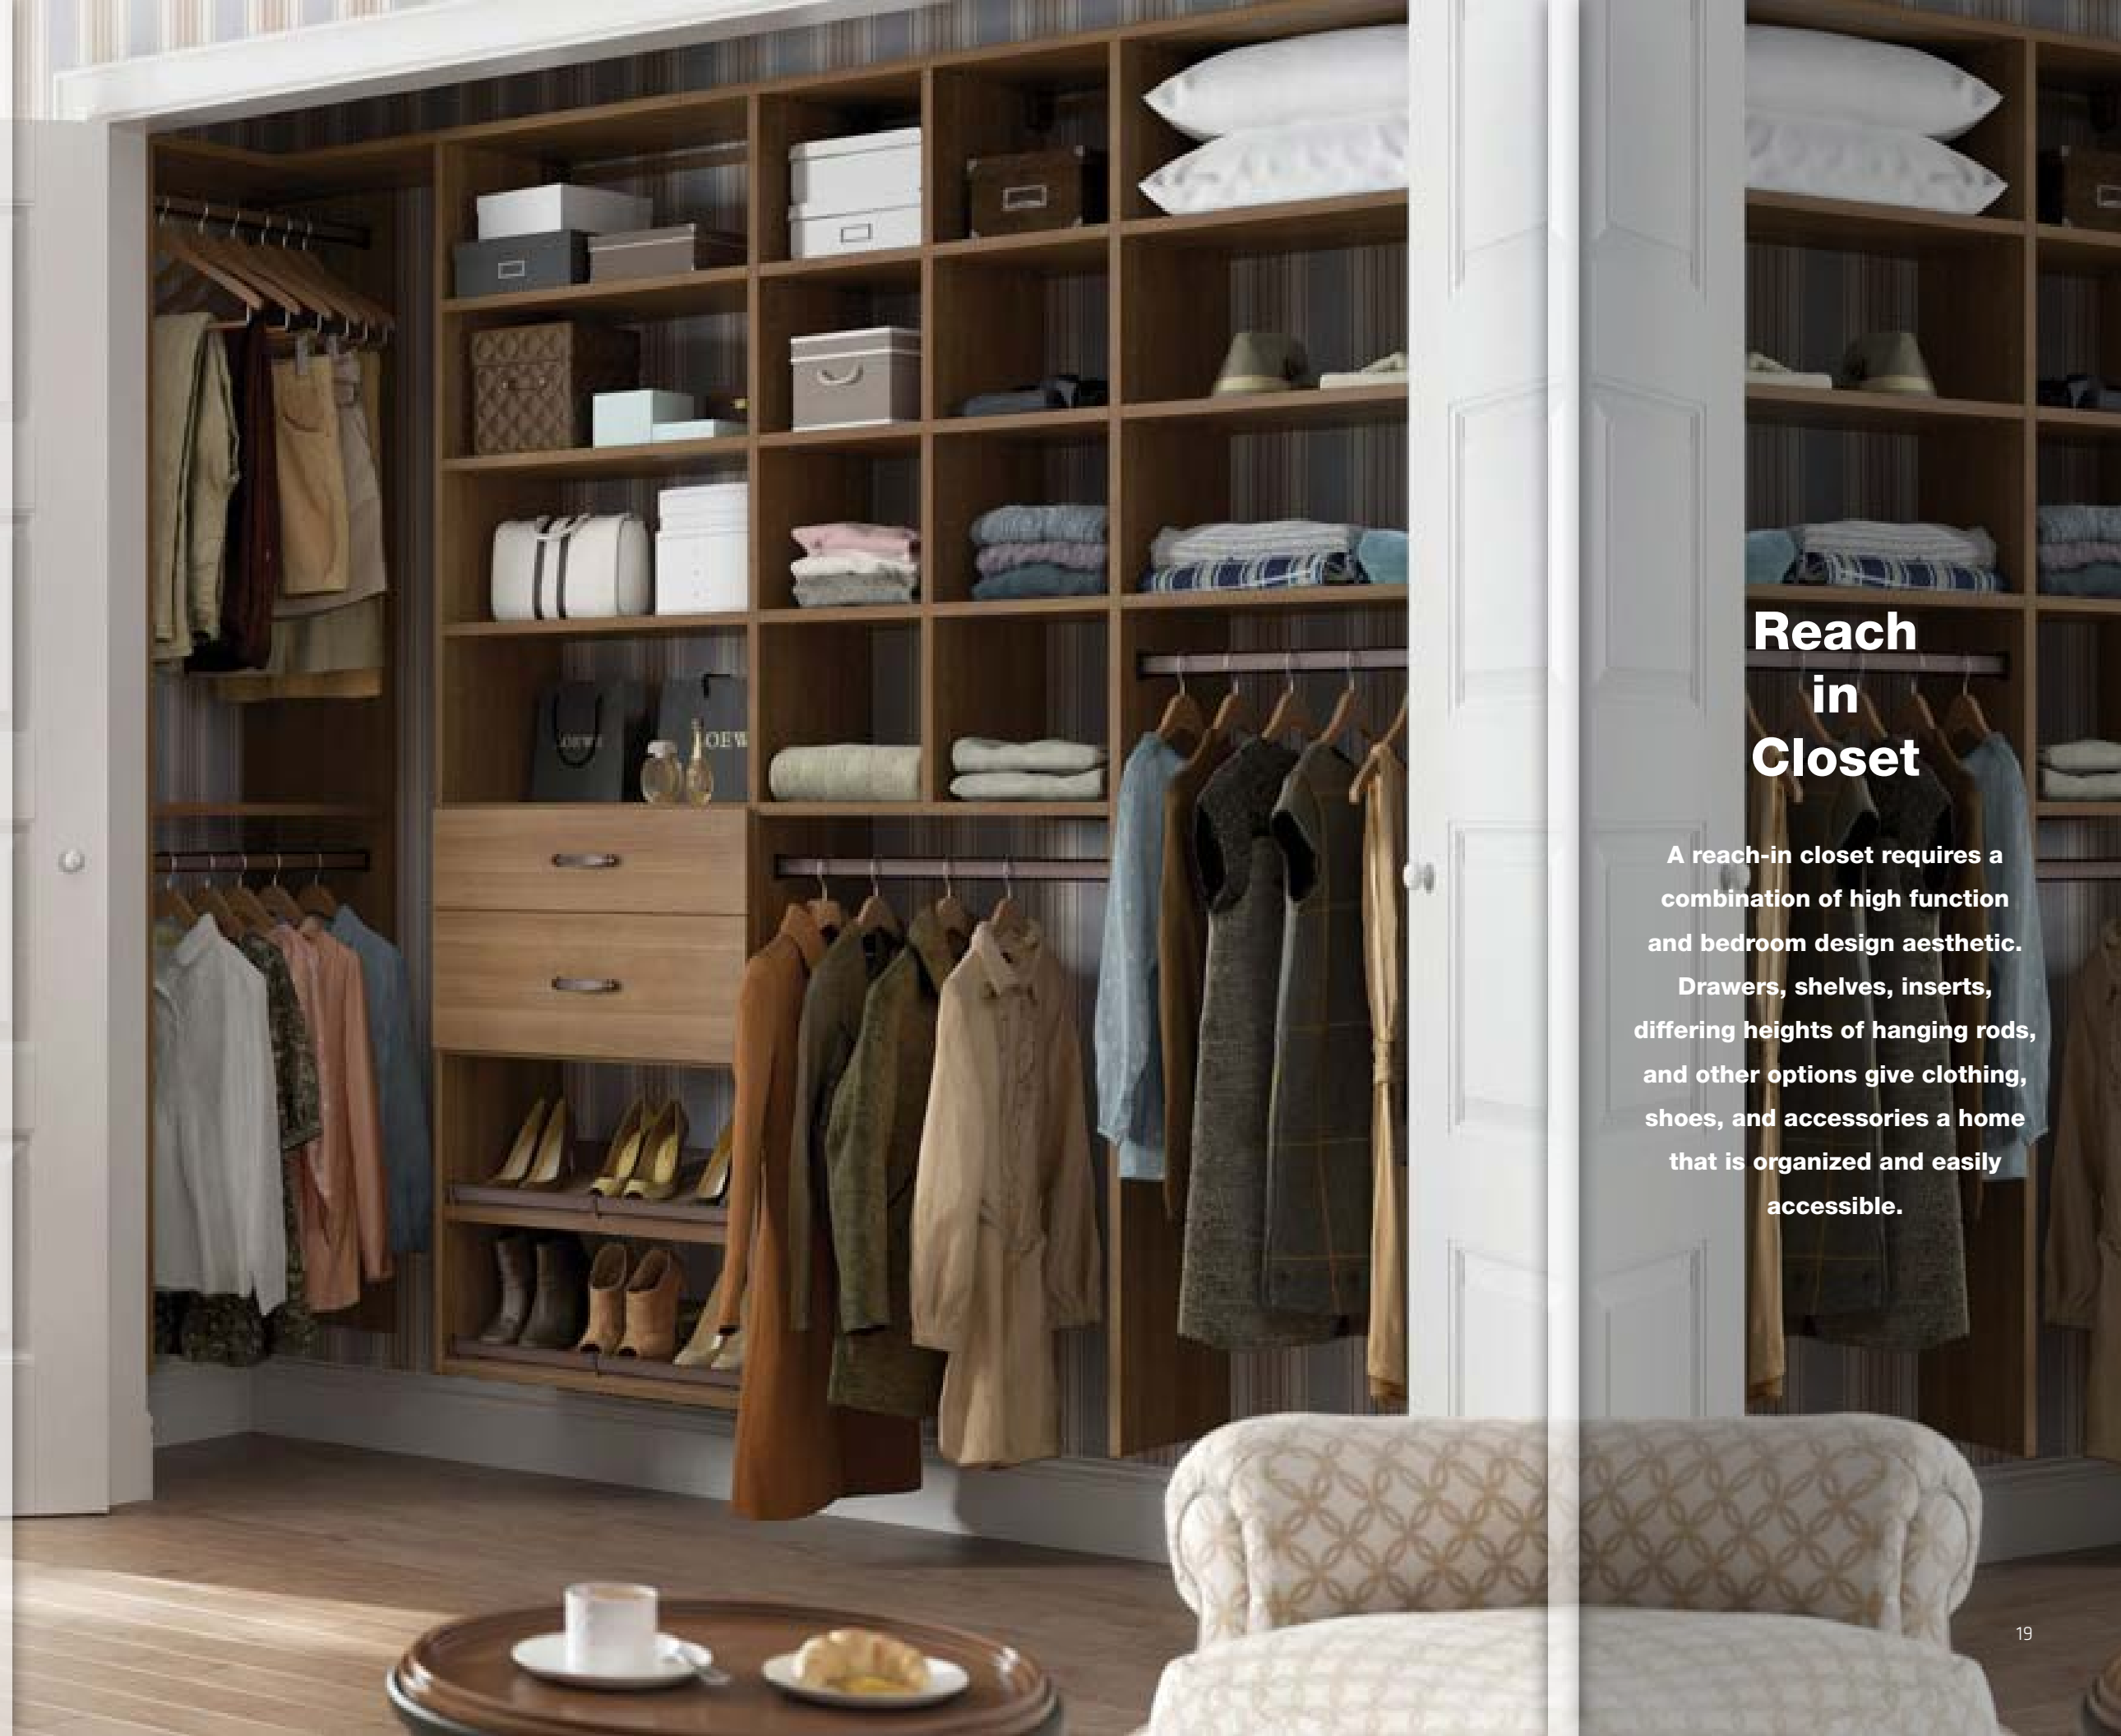

## Walk in Closet

Your MillCraft custom closets walk in wardrobe will be completely bespoke and created to work with your life and the storage features you require. We do not use standard sized carcasses which allows us to maximise your storage. A walk-in closet truly transforms your daily dressing experience.

## Reach in Closet

A reach-in closet requires a combination of high function and bedroom design aesthetic.

Drawers, shelves, inserts, differing heights of hanging rods, and other options give clothing, shoes, and accessories a home that is organized and easily accessible.

## Revolver Double Hang Unit

Revolver Unit solution maximizes storage capabilities in any corner

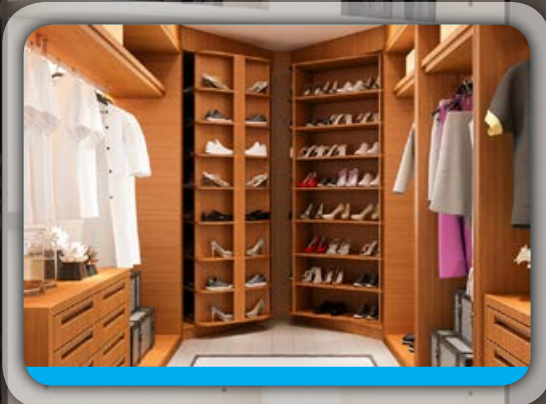

The Double Hang consists of two 24" rods on the front and 8 adjustable shelves on the back in a double hang and adjustable shelves configuration with shelving on sides.

Adjustable shelves are 24"W x 7-1/4"D (flat shelves) and 25-3/4"W x 5-1/2"D (arch shelves)

System height of 84" - 90" - 94" high fits into a 42" x 42" corner

360 Degree revolving system is achieved by manually rotating the system

Available in different colors

## Revolver Shoe Spinner Unit

Revolver Unit solution maximizes storage capabilities in any corner.

Shelves maximize the storage of shoes, purses and folded clothing items.

Adjustable shelves are 24"W x 12-1/2"D (flat shelves) and 25-3/4"W x 5-1/2"D (arch shelves)

System height of 84" - 90" - 94" high fits into a 42" x 42" corner

360 Degree revolving system is achieved by manually rotating the system

Available in different colors

## Revolver Valet Unit

Revolver Unit solution maximizes storage capabilities in any corner.

The Valet consists of one 24" rod and 3 drawers on the front, 8 adjustable shelves on the back in a tall hang, drawers and adjustable shelves configuration with shelving on sides.

Adjustable shelves are 24"W x 7-1/4"D (flat shelves) and 25-3/4"W x 5-1/2"D (arch shelves)

System height of 84" - 90" - 94" high fits into a 42" x 42" corner

Drawers are 15" deep x 5" high

360 Degree revolving system is achieved by manually rotating the system

Available in different colors

## Revolver Wall Pantry Unit

Revolver Unit solution maximizes storage capabilities in any corner

Wall Pantry can be built into your kitchen cabinetry design

Adjustable shelves are 24"W x 12-1/2"D (flat shelves) and 25-3/4"W x 5-1/2"D (arch shelves)

System height of 84" - 90" - 94" high fits into a 42" x 42" corner.

360 Degree revolving system is achieved by manually rotating the system.

Available in different colors.

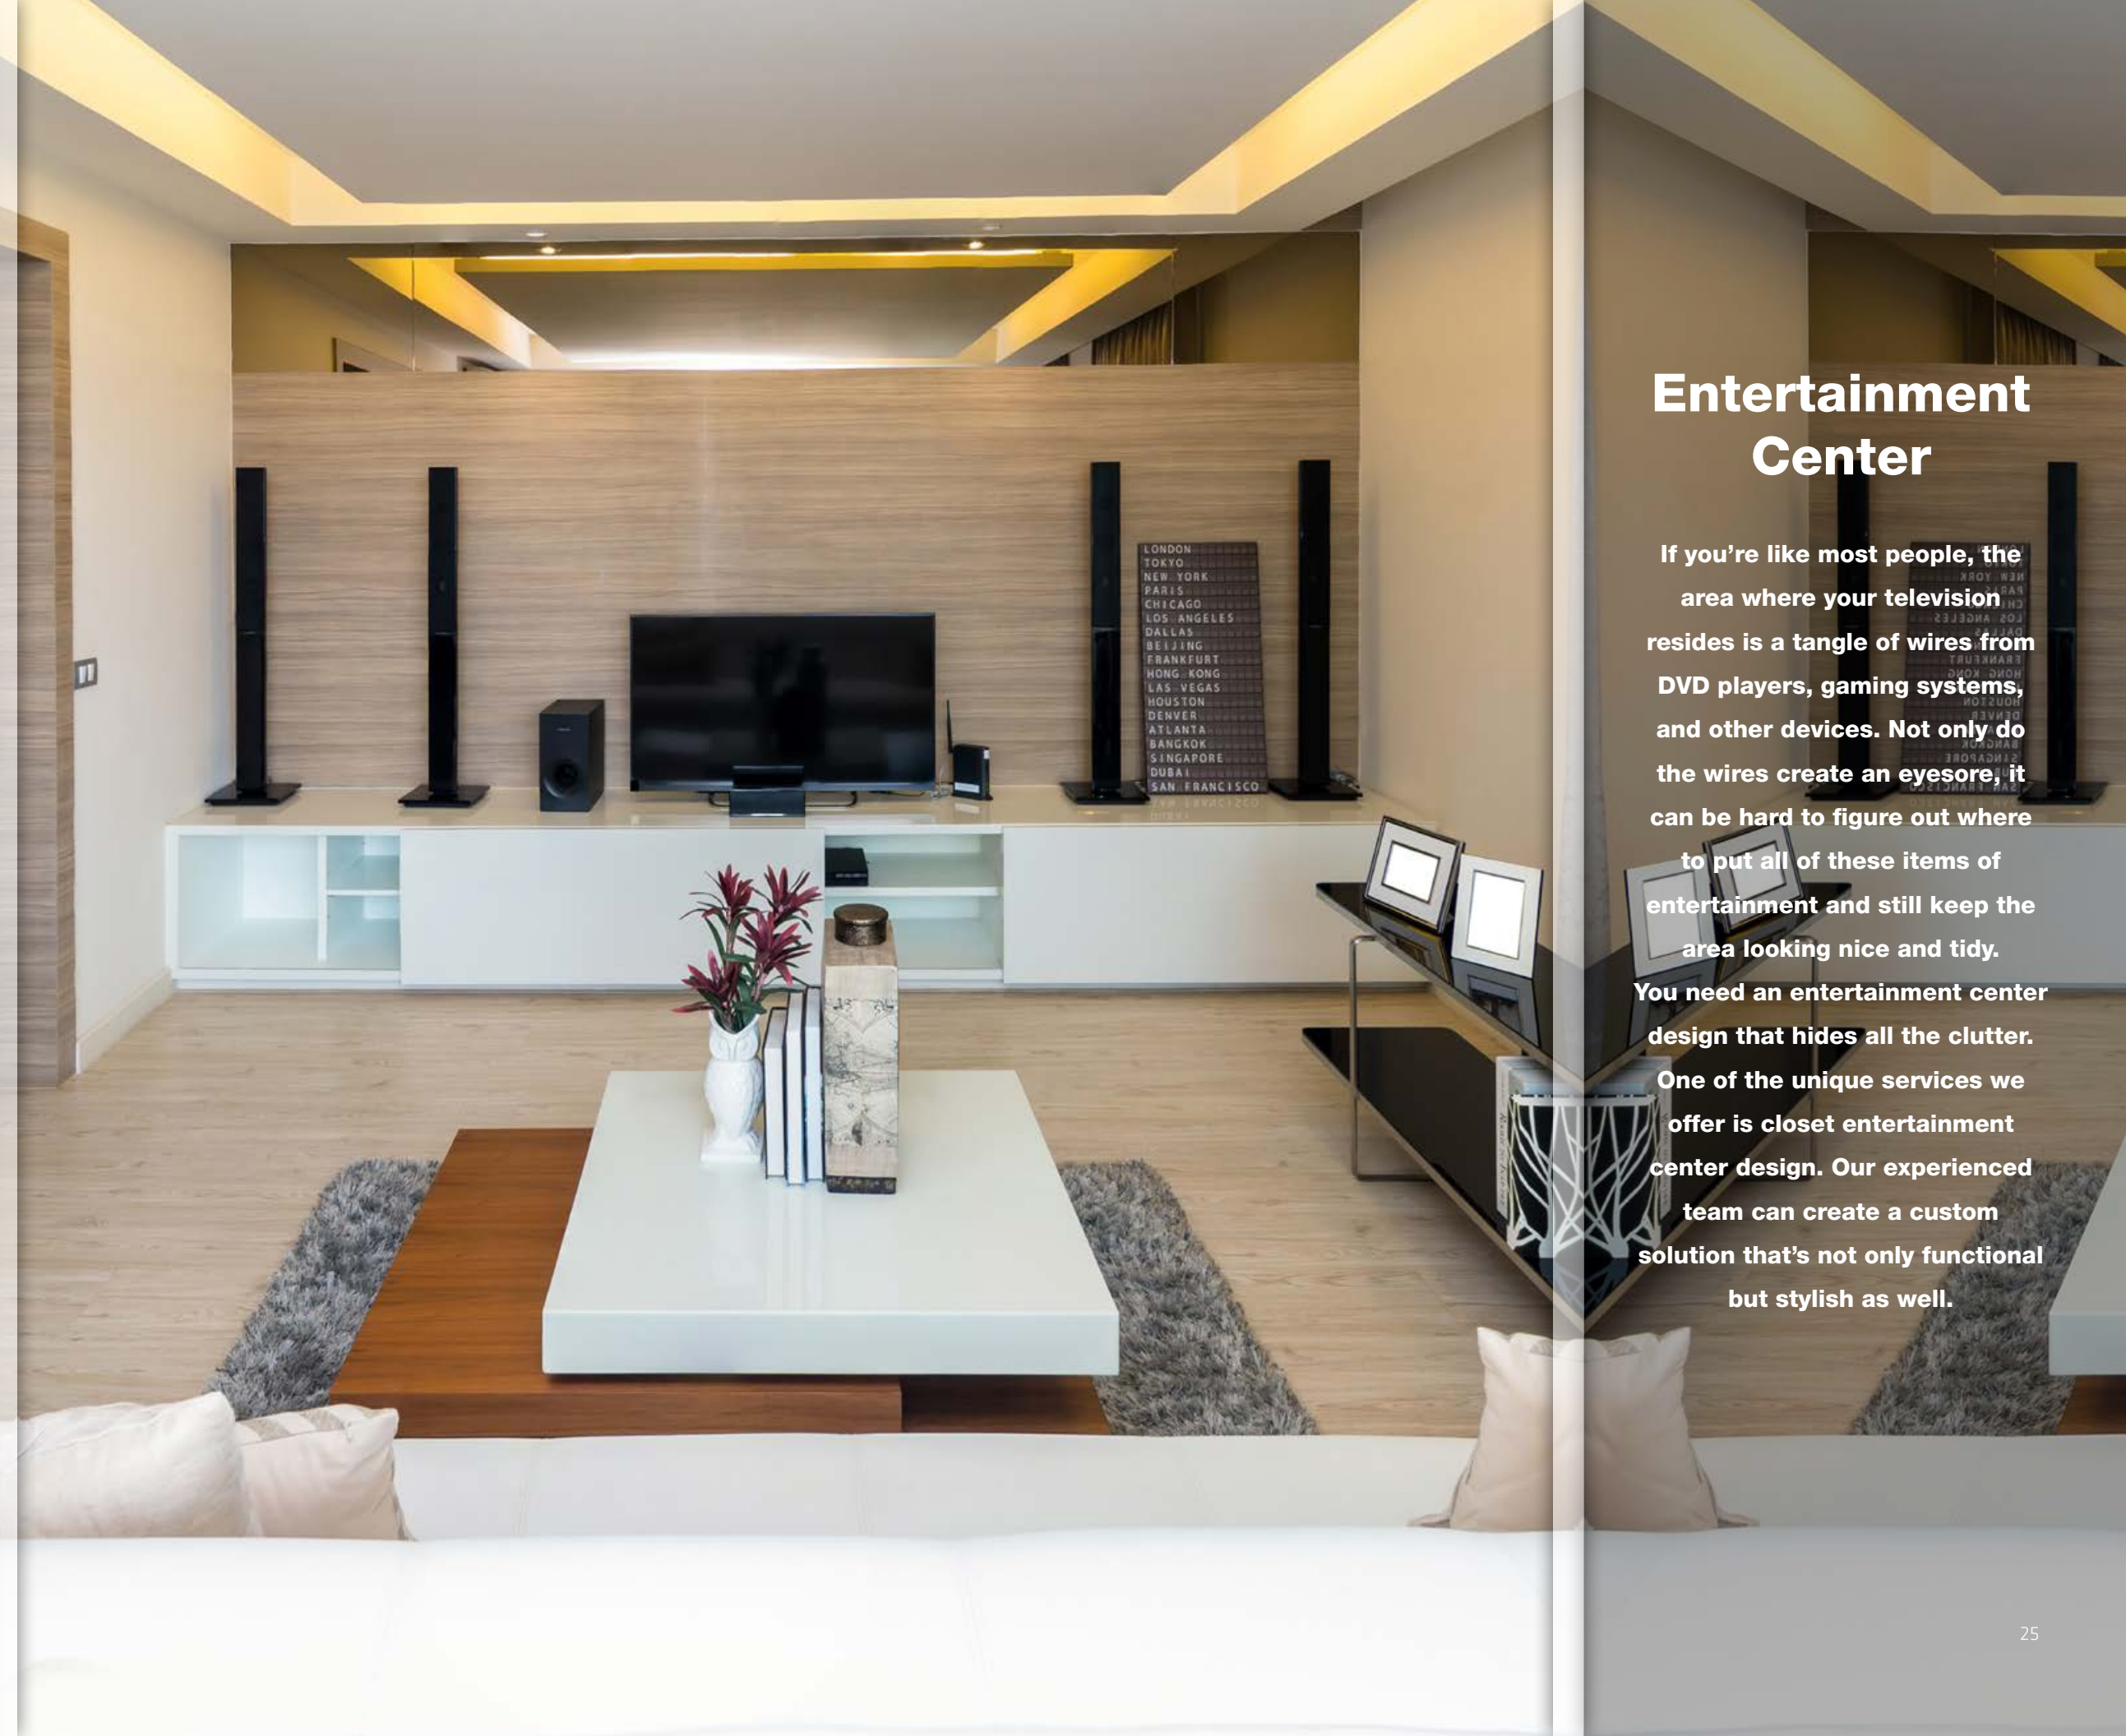

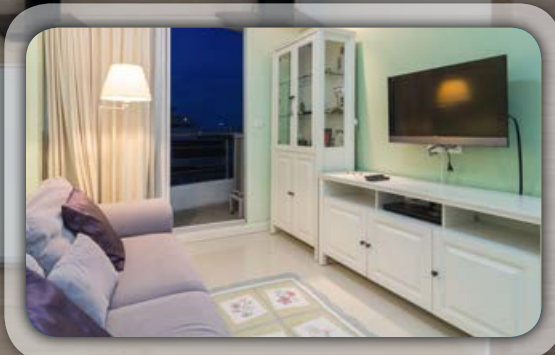

## Laundry Room

Create a laundry room that is motivating for any member of the home to want to take on this never-ending task. Laundry rooms can pose a challenge especially within small spaces. A proper design plan will create efficient storage solutions, from sorting clothes, keeping cleaning supplies nearly tucked away and storing an ironing board while still keeping it within reach.

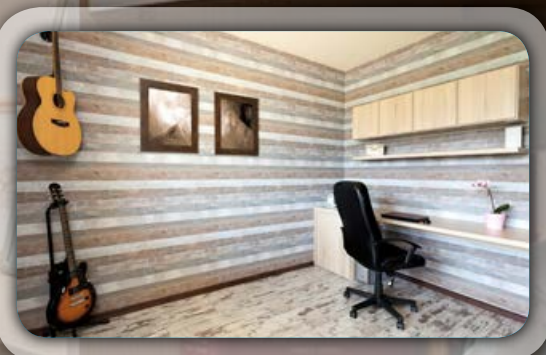

## Entertainment Center

If you're like most people, the area where your television resides is a tangle of wires from DVD players, gaming systems, and other devices. Not only do the wires create an eyesore, it can be hard to figure out where to put all of these items of entertainment and still keep the area looking nice and tidy. You need an entertainment center design that hides all the clutter. One of the unique services we offer is closet entertainment center design. Our experienced team can create a custom solution that's not only functional but stylish as well.

## Home office

Whether you work from home full time or you're frequently in need of a space to get things done after-hours, you need organization. You can't work to your highest potential if you're flustered after looking through stacks of papers to find one that you've misplaced. You need some serious home office solutions.

We've got the know-how to transform your office space into a peaceful working area that allows you to focus on the important things. Let us turn our stellar home office design into a reality for you.

## Murphy Bed

Wall bed systems are perfect for a space saving solution without sacrificing style and comfort. These systems can be incorporated into just about any space in a home. They are available in Twin, Double and Queen sizes and accommodates mattresses up to 10" thick.

Both horizontal and vertical mechanisms are available. Wall bed systems can be customized with storage solutions to suite your specific needs or it can be built to stand alone. Add closet space by including wardrobes on either side of your wall bed system. Our professionals can also integrate the Wall Bed System into your Home Office, Play Room, Basements, etc. allowing these spaces to function as Bedrooms. This is a comfortable and attractive solution suitable for any room in your home.

## Garage

Your garage can be so much more than a place to **keep** your vehicles. It's also home to your yard and garden tools, bikes, golf clubs, and any number of random gadgets. It often adds up to one huge mess. That's where we come in! We'll put our garage storage design expertise to work for you, providing you with a well-organized space that you only dreamt of. We can transform your garage into a space that you don't mind being in, as opposed to one you rush through to avoid the mess on the way into your home. Let's chat about your options.

## Pantry

A well-organized pantry adds a tremendous value to your daily life. Convenience, visibility and easy-access will save you time and reduce waste. Adjustable shelves and pullout drawers creates easy access to canned goods and spices. Having all of your kitchen essentials in one location makes tending to your nutritional needs simple.

## Mudroom

If you're lucky enough to have a mudroom in your home, you know that it can quickly become a catch-all for all sorts of stuff. From your dog-walking supplies to bookbags and lunch boxes, and piles of shoes, you need a way to create some order out of the chaos. That's where our clever design team comes in to save the day. We will create an efficient mudroom storage solution that's perfectly suited to your unique needs. We use only the finest materials and we bring our creativity to the table to create something that fits seamlessly with the design of your home yet doesn't break the bank. Let's talk!

## Wine Bar

A beautifully designed wine bar with great storage will make for a charming social place in your home. Accentuate your true sense of style by selecting one of our many finishes and featuring accessories like steamware holder, wine rack, A beautifully designed wine bar create a lovely ambiance for your home.

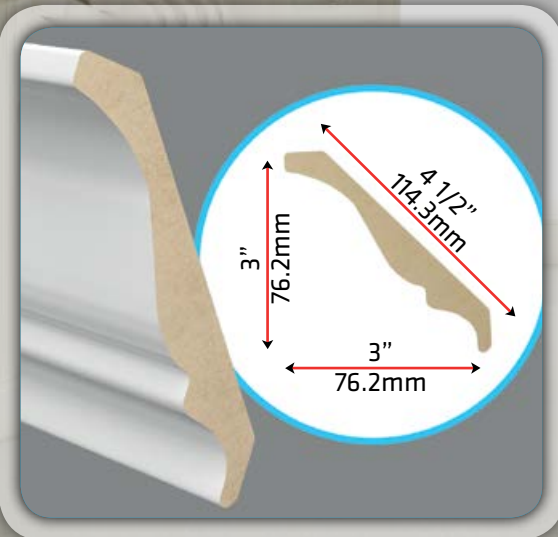

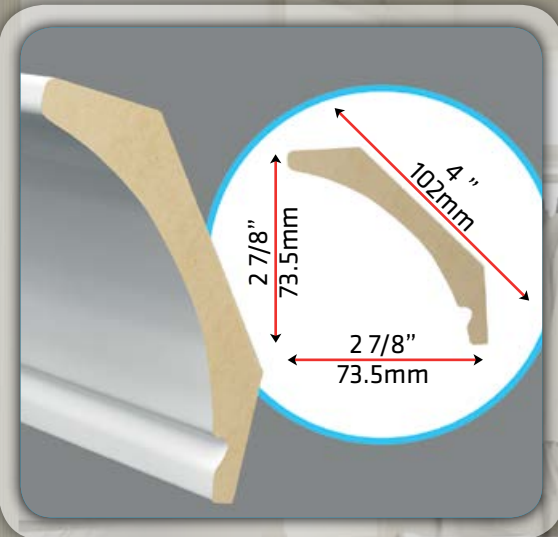

## Kids and Teen Closet

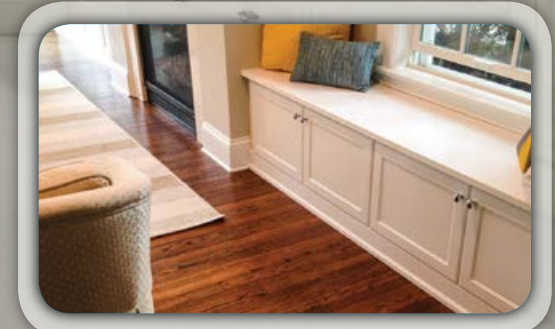

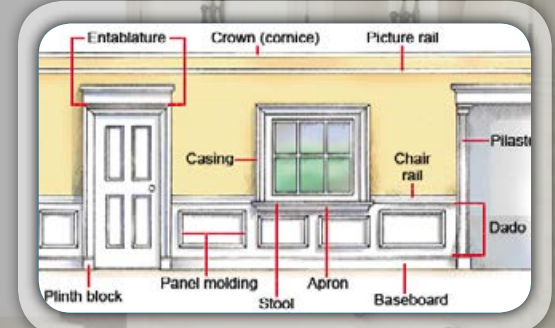

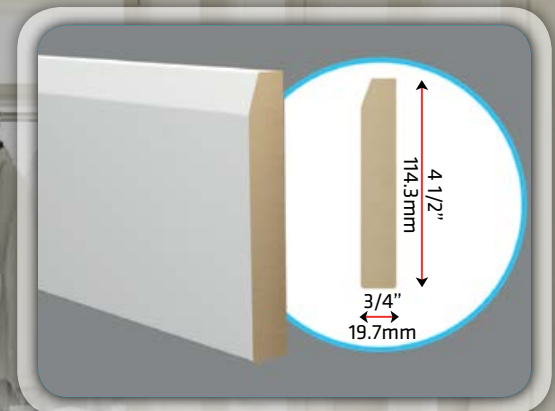

Your kids closet and room will need to adapt as he, she grows and changes. Adjustable shelving, hanging areas, and baskets organize the closet to evolve with your child, allowing for a space that stores clothes when he or she is young to become a place that also houses technology, sports equipment, and books as your child grows older.

## Molding & Trim

Trim boards, also called molding pieces, gracefully cover joints between different surfaces and materials.
